A B O U T T H E P O R T A L

BFM.ru is a tool to quench the thirst of business people for information, which is why the content of the portal goes way beyond purely business topics. Information that BFM.ru offers is as diverse as the interests of its target audience.

The exclusivity of information is largely achieved through the synergy with Business FM Radio. The content is generated by the editorial boards of the radio station and the portal. The competitive edge of BFM.ru is that you can always read what you didn't have time to listen to.
